

NEW LIFE INTERNATIONAL FOUNDATION FOR CHILDREN

SPONSORSHIP INFORMATION

SUPPORT a Child, CHANGE the Future

New Life Foundation in Moshi, Tanzania, East Africa, was established as a Christian boarding school in 2001 by Pastor Glorious and Josephine Shoo. The school began with an initial student body of 14 children and now serves approximately 400 students who are loved, educated, and cared for by the NLF teachers and staff on a 24/7 basis.

The school opens its doors to the poorest children in Tanzania. Over 70% of its students cannot afford their local state school fees due to a lack of family income. New Life Foundation's mission is to serve at least 70% of its students through sponsorship and donations allowing it to offer an excellent holistic education to the children without a fee to their families. NLF provides an excellent Christian

based education, spiritual discipleship, food, medical care, housing, and care from loving teachers and caregivers.

NLF has 4 schools on different sites surrounding the Moshi area, Nursery, Primary, Elementary, and High School. The students are not only hard working and studious, resulting in excellent pass rates on their government exams, they also reach out to their local community with a practical outworking of their vibrant faith and joy in Christ. Families who cannot pay for the education are encouraged to contribute something towards their children's education. While it may be just one sack of corn per term or some coal for cooking, this ensures the family maintains their self-esteem and investment in their child's education. The balance of the cost is met by sponsorship where individuals can bless these children by supporting them financially; giving them the future they were born to live.

For more information please visit the [New Life Tanzania web site](#) for the school.

New Life International Foundation for Children USA (NLIF)

NLIF, a US non-profit organization, which along with similar organizations from New Zealand and Norway, provides New Life Foundation the support necessary to operate the boarding school. NLIF is a 501(3)(c) tax-exempt organization formed in 2004 and directed by a Board of Directors of 9 individuals. NLIF helps identify and encourage individuals and churches to partner with the sponsorship of students, funding the costs for food, medical care, education, and lodging for students.

Sponsorship for the holistic care received is currently \$80 per month per student, with half and full sponsorship opportunities. NLIF currently sponsors approximately 85 students. All gifts are tax deductible with a tax receipt being provided each year.

For more information visit the NLIF web page, <http://www.newlifeif.org>.

SPONSORSHIP DETAILS

The **monthly support** for a single student is currently \$80 per month. We consider this a full sponsorship. We also offer half sponsorship for a single student.

Reoccurring monthly support using a credit card can be set up on our webpage, www.newlifeif.org. (<https://newlife.charityproud.org/Donate/?cid=170>) Use

the *Donate tab* and then fill in all necessary boxes. The following is a screen shot of the donation page.

Other ways to support us:

Student Sponsorship

Your Donation Amount

☐ \$45 - Half Sponsorship for one student (1 month)

☒ \$80 - Full Sponsorship for one student (1 month)

☐ Other \$

☒ Help a child by making a monthly reoccurring gift.

Frequency of Donations Total # of Donations

Monthly Unlimited

Your first donation will occur **today**, and happen **Monthly** on this day.

Reoccurring gifts help us ensure on-going care for our students and staff. Please consider making your gift a monthly reoccurring gift by checking the box below the suggested gift amounts.

Simply complete as shown and add your credit card information.

Payment can also be made by check or automatic bill pay, with checks being mailed to:

New Life International Foundation
3519 NE 15th Ave.
Box 332
Portland, OR, 97212

We wire monies to NLF once a month, usually towards the end of each month.

SPECIAL GIFTS: We ask that packages for birthdays or holidays NOT be sent to the school. Rather, send a small monetary gift of no more than \$25.00 to the above US address clearly marked what special occasion the monies should be used for. The staff is always happy to take a student shopping to purchase items that are needed. This ensures that the student gets exactly what they want and it helps the local economy. We will send the special gift for your student in the next wire for that month and will alert the staff through an email of the gift and they can set this aside out of the regular wired monies.

We encourage sponsors to have a regular written communication with their sponsored student(s). By sending letters or cards to us at the US address or via

email we share these electronically with New Life Foundation who will deliver the letters to the students. New Life Foundation also sends letters from the students, which are forwarded to the sponsors. The frequency is approximately December, April, and August.

Communication can be made through the President and Secretary of the organization, at info@newlifeif.org, 503-764-9254.

Lastly, sponsors are encouraged to regularly pray for their student and consider the opportunity to visit your child as part of a short-term mission team. Such a trip will be a blessing to you and a great encouragement to the students and staff but certainly not a requirement of sponsorship. If you would like to join us, let us know and we will coordinate the trip.

Thank you for partnering in this important ministry. May God bless you!
