

Being a Fountain of Hope

Requesting Prayer and Support for Mission Projects!

**We are sending a mission team of 16 adults and 3 children to
serve at New Life Foundation in July**

Leaving on July 10 and return July 26, 2019

Our team consist of 8 **missionaries organized** and led by Jeremy Landgreen, and a team of 8 adults and 3 children led by Laura Davis. We are **excited** to have these **committed servants** to make the **trip to serve the students and staff**.

We will be busy serving in a multitude of ways. Most importantly, we will be greeting all of the **sponsored students** and **delivering letters from each sponsor** to their student.

We will also be greeting and encouraging the staff with **letters of appreciation** and an **appreciation dinner**.

We would like to give **hand written letters** and **cards to the staff**.

Please **write a letter and address** it to “New Life Foundation Staff” expressing your appreciation for their service and providing some words of encouragement.

We **need** approximately **30 letters**.

We will be serving through a variety of activities and service projects, including:

God Centered

- Attending the New Life Foundation's Bi-annual International Conference, celebrating the work that is doing at the school.
- Participating in worship, devotions, gatherings with students and staff.

Service Projects

- Participating in student outreach service projects to their community.
- Providing a variety construction and maintenance projects to help improve the school facilities.

Medical Personnel and Resources

- Assist local medical personnel to provide a well-care medical clinic for the students and staff.
- Provide sustainable feminine-hygiene kits and education from Days for Girls.
- Provide first aid kits for the classrooms and dormitories and supplies for the medical clinic.

Fun & Education

- Play with students and visit their families in their homes
- Lead teacher/staff educational seminar

Media Recordings

- Record video greetings from each of the sponsored students to their sponsors.
- Obtain video footage for updated videos to share the story and needs of New Life Foundation.

Meetings

- Attend an international board meeting with the school's Board of Directors and directors from other international supporting organizations similar to NLIF.

There will be more opportunities for service and celebration, but these provide an idea of what the team will be doing.

We have several specific **requests** for you over the **next 3 weeks**:

1. **Pray** for the team and the service it will be providing.
2. If you are a sponsor, **send us a letter or card** with a recent photo of you and your family to your sponsored student.
3. Provide **letters of appreciation** to the staff.
4. Help us **raise \$6,050** to fund

\$3,500 for construction materials.

\$1,400 for first aid kits & supplies for the well-care clinic.

\$525 for the feminine-hygiene kits.

\$625 for the appreciation dinner.

To donate, go to our [Special Gifts donation page](https://newlife.charityproud.org/Donate/Index/3758)
(<https://newlife.charityproud.org/Donate/Index/3758>)

Please **donate now** so we can have the **funds before we leave**.

The Blessings of Sponsoring a Student

Providing for the financial needs of caring for and educating students at New Life Foundation is the primary goal of the sponsorship program. We often overlook the special blessing sponsorship also provides to the student and the sponsor when they also learn about and care for each other. The following is a testimony from one sponsorship family about the blessings they receive and give through sponsorship.

Since then, we've had the picture of Praisegod hanging in their room, and over the years we've encouraged them to become more connected with her. For them, being able to make something or put some money in an envelope for Praisegod has been very meaningful.

A few years ago, when Pastor Glorious Shoo was visiting, he brought with him dozens of pictures of the wonderful kids at New Life Foundation that were needing a sponsor. We asked our two girls, Isabella (now 7) and Emelyn (now 6) to pick a child they would like to help sponsor. They were both immediately drawn to a beautiful girl named Praisegod who was around their age and whose name they loved.

Our kids love art, so this Easter they made a card that we scanned and emailed to New Life for Praisegod. It was easy and fun, and the kids felt like they were sharing something special with Praisegod. Isabella's class has learned to knit scarves and she thought that Praisegod may also want a scarf! Creating a gift for a specific person always seems to bring you closer to them.

Whether it be a simple card or gift, we want our kids to build a relationship with their sponsor and learn practical ways to show love to our neighbor, even if that neighbor lives across the world. I encourage you to take what gifts your kids have and use them to bless your sponsor child and your family will be blessed as well!

Sandy, Phil, Isabella, & Emelyn

THE TRANSFORMERS – Impacting the world with the Gospel

The Transformer is a group of eight students from New life Foundation, Fountain of Hope Primary School, (Grade seven). The Transformers believe in Jesus Christ as the perfect model for the life of everyone by encouraging people about their lives that God still loves them.

The mission of the group is to transform the World by preaching the word of God all over the World by saving people who are in need.

What we do as a group of transformers:

Visiting different places, ministering people through the word of God, like hospitals, jails, and street ministry. We thank God because people are healed by Holy Spirit and receive Jesus in their lives. One of the miracles God has done is for one of the grandfathers we visited was suffering with eyes and legs felt changes in his body after we prayed for him.

- We preach about God's love, and encourage people to love others as God loves us, because love always protects, always trust, always hopes and love never fails.
- Pray for this group of Transformers for the Gospel as they grow and mature as students and impact their community and the world.

A WORD OF ENCOURAGEMENT FROM A STUDENT

My name is Godlove Ifande, a form 4 student. I will be graduating this year. I am very proud of being a student at New Life Fountain of Hope. It was the year 2009 when I joined the school as a grade one pupil and through all this time I have been at New Life I have always increased my standards in academics and also have increased spiritually growing everyday getting to know more about God through the teachings from the teacher and through the everyday life with my fellow students.

I am proud to call New Life my spiritual home because at New Life it is where I got baptized and the place where I have always been fed the word of God that has always built my spirit.

My stay at new Life was by the grace of God who kept parents, sponsors and donors who had always assisted and supported me by paying my school fees that I could stay at school. I am specifically thankful to my sponsors Jeremy and Tabitha who sponsored me from 2016 until my graduation. May the Lord God in heaven bless them abundantly.

I am very grateful to the Lord for helping me stay at New Life and for everything that the Lord has kept in me through New Life that has made me today have the mind of transforming those around me, as I am going out from New Life to bring an impact to the world that I may become a world transformer.

May God bless New Life Foundation.

“You are the light of the world. A town built on a hill cannot be hidden neither do people light a lamp and put it under a bowl, instead they put it on its stand and it gives light to everyone in the house.”

Matthew 5: 14-15

Godlove is a student sponsored by one of our couple sponsors, Jeremy & Tabitha.
